Central Valley Barber College strives with this training to provide an early introduction to barbering fundamentals with hands on training, which will enhance the opportunity for occupational competency and provide an educational and training program designed to obtain entry level employment as barbers.

COLLEGE FACILITIES/EQUIPMENT

Central Valley Barber College is located at 3501 Atchison Street, Riverbank, CA. 95367 featuring approximately 5000 square/feet, *where all instruction occurs*. ADMISSION POLICY

Central Valley Barber College is accepting students for admission once the following criteria have been met:

- Must be 17 years of age or older.
- Provide a copy of his/her High School Diploma, or GED or their transcript showing high school completion or documentation proving completion of homeschooling at the secondary level as defined by state law or have evidence that verification of a foreign student's high school diploma has been performed by an outside agency that is qualified to translate documents into English and confirm the academic equivalence to a U.S. high school diploma.
- An academic transcript showing completion of at least a two-year program that is acceptable towards a bachelor's degree will substitute for a Highschool diploma or GED.
- Applicant must provide a valid, government-issued picture ID, such as a California Driver's license, other state issued ID, or Passport.
- **High School Evaluation** If high school information appears to be questionable, for example (age and date of graduation are not reasonable, or the documentation doesn't look official, etc.) an official transcript will be requested and evaluated by the director of education prior to enrolling the student. If the information cannot be verified by the school the student must pass a GED test prior to enrollment. Self-Certification will not be allowed for enrollment or Title IV purposes.
- An academic transcript showing completion of at least a two-year program that is acceptable towards a bachelor's degree will substitute for a Highschool diploma or GED and:
 - Evaluation of the validity of a High School Diploma: Regulation 34 CFR 668.16 (p) requires Title IV schools to establish policies and procedures to confirm the authenticity of high school diplomas in the event that the school or the Secretary of the U.S. Department of Education has reason to question the validity of a student's high school diploma. The school may require further documentation in the form of a certified copy of final high school transcripts for the high school in question or information from a company that evaluates foreign diplomas (in the case of a foreign diploma) and translate them into English.
 - Central Valley Barber College will then confirm that the student is eligible for Postsecondary instruction. Student self-certification is not considered sufficient proof

of validity. In addition to checking online for further information about the school issuing the diploma and its accreditation, the school may also contact the Department of Education in the state in which the diploma was issued to determine if the school listed on the diploma is on the state list of recognized schools.

- The school maintains a list of known diploma mills for the admissions staff to check when receiving a diploma from an unknown and questionable source. It is understood that this list may not be all inclusive as there are hundreds of diploma mills some known and some not currently known. It is also understood that the list of schools in the FAFSA drop down box online does not guarantee that a high school is legitimate. The school makes every reasonable effort to verify the validity of questionable high school diplomas.
- Provide their Social Security number or TIN.
- **Transfer students only:** Transfer students shall provide transcripts from prior instructional institution *prior to* enrollment. Failure to provide the required documentation of previous training, in any circumstance, prior to enrollment, will result in not being able to apply those hours that could be accepted toward your enrollment at Central Valley Barber College.

Additionally, prospective students should be aware of the physical demands required of a barber in this industry. Occupations in the barber industry generally require prolonged standing or sitting and constant use of the upper torso, shoulders, arms, wrist and hands, upper back and neck. Prospective students should have finger dexterity and a sense of form and artistry, enjoy dealing with the public and be able to follow a client's direction and to have compassion and patience for people at all times. A student must be physically capable of performing all required activities conducted at the school and comply with all **regulatory oversights** and safety policies and procedures to work as a licensed barber. Individuals with allergies or other sensitivities may have reactions to typical chemical products used in barber industry. Exposure to chemicals used in the barber industry may cause cancer and birth defects or other reproductive harm to you and your unborn child. In addition, the physical demands required by the school curriculum could place unwanted stress on the mother and child during pregnancy. Please consider this and consult with your physician regarding these issues prior to enrolling and signing an enrollment agreement. Generally, the professional in the Barbering field must be in good physical health he/she will be working in direct contact with customers. This related field of study requires a great deal of standing while working on a patron, with shoulder, arm and hand muscle movements. A person must consider his/her physical limitations in terms of making a career choice that involves extensive physical demands. **Students must understand they**

need to meet the requirements set forth by employers. We promote the acceptance of students with physical limitations or disabilities if these students (their parents or physician) believe they can fulfill the training demands.

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Ste. 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Ste. 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

EVALUATION POINTS

The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Evaluations will be performed on scheduled hours. The chart below details the evaluation points applicable to each program:

Program	Course Length	Evaluation Points in Scheduled / Clocked Hours
---------	---------------	--

Barbering	1,000 Clock hours	450 and 13 weeks & 900 and 26 weeks scheduled hours
-----------	-------------------	--

*The institution operates all programs according to a schedule of 900 hours & 26 weeks of instruction.

ATTENDANCE PROGRESS

For a student to be deemed making satisfactory attendance progress (quantitative), the student must maintain a minimum attendance average of 67%. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued (clocked by the student), by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame of one and one-half (1 1/2) times the length of the course.

QUALITATIVE PROGRESS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic (qualitative) learning. Students are assigned both academic learning (written exams) and a number of practical evaluations. Academic learning is evaluated during each unit of study, using class quizzes, written exams and practical tests. Practical skills are evaluated according to course rubrics adopted by the school and provided to students. Students must maintain a cumulative academic grade average of 70% to maintain satisfactory attendance progress. **Students may make up failed or missed tests and incomplete assignments, in accordance with the school's published policy for Scheduling and Grading, Make-Up Work, Incomplete's and Repetitions.** A student's grade point average is determined by a combined average of all practical and written examinations. Individual student academic records are kept by the school. Students will be notified of any evaluation that impacts their Title IV financial aid eligibility, *if applicable*.

MAXIMUM TIME FRAME

Students are required to complete the program and/or course within 150% of the published program length. The maximum time frame permitted for transfer students who need less than the full course length will be determined based on the number of scheduled contracted hours. Any student who has exhausted the maximum time frame will be dropped from the program and may elect to re-enroll on a cash pay basis in a manner consistent with the school's admissions policy. VA benefits are paid based on the approved program length of 1000 hours only.

Barbering 1000 Clock Hours	Maximum Weeks 150%	Maximum Hours
BARBERING 34 hours /week 30 weeks total	44.25 weeks	1,500 hours

BARBERING 20 hours/week 50 weeks total	75 weeks	1,500 hours
--	----------	-------------

The institution operates all programs and schedules according to a schedule of 900 hours & 26 weeks of instruction, per academic year.

GRADING SYSTEM

Students are graded by using a grading system of 0 to 100 points. The grading point system is then converted into alphabetical letters. Students are evaluated regularly on the practical and theoretical work. Students must maintain a “C” average to maintain (70% or higher) satisfactory academic status. Students must have good coordination and show an aptitude for barbering, as well as possess the ability to learn various phases of barbering. The system detailed below is the grading system utilized in this college.

90% - 100%	A	Excellent
80% - 89%	B	Good
70% - 79%	C	Passing
60% - 69%	D	Not Passing
59% or Below	F	Failing

WARNING

Students who do not meet Satisfactory Academic Progress requirements will be placed in the status of Financial Aid Warning. Students on Financial Aid Warning may continue to receive Title IV funding, *if applicable*, until the next scheduled evaluation. Students must meet the minimum requirements for attendance **and** academics by the next scheduled evaluation, to be deemed making Satisfactory Academic Progress. Students are notified in writing within 7 days of being placed on Warning.

FAILURE TO ACHIEVE SATISFACTORY ACADEMIC PROGRESS AFTER WARNING PERIOD

If a student fails to bring their grades and attendance back into good standing after the Warning period, they will be deemed ineligible for Federal Student Aid. If they are able to bring their grades and attendance back in good standing, Federal Student Aid may be reinstated.

ACADEMIC PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Central Valley Barber College does not allow for the status of probation. Students receiving Title IV Aid or VA educational benefits may have their benefits discontinued if the student fails to meet Satisfactory Academic Progress minimum requirements, *if applicable*.

RE-ESTABLISHMENT OF PROGRESS

Students not meeting Satisfactory Academic Progress standards will be notified in writing of the actions required to attain the minimum requirements for attendance and academics by the next scheduled evaluation.

EVALUATION RESULTS (SAP Reports)

All Satisfactory Academic Progress evaluations will be completed by the school within 7 school business days following the evaluation period, students will be notified of the results of their evaluation(s) either by email (electronically) or in person (paper). Students will be notified of any evaluation in which the student is not making Satisfactory Academic Progress.

ACCESS TO SATISFACTORY ACADEMIC PROGRESS REPORTS

A hard copy of each Satisfactory Academic Progress evaluation is maintained in the student's file.

INTERRUPTIONS, LEAVE OF ABSENCES & WITHDRAWS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

INCOMPLETES, WITHDRAWALS & REPETITIONS

Incompletes, withdrawals, and repetitions do not apply to the institution have no effect upon the institution's satisfactory academic progress standards if the institution has no such items or policies.

TRANSFER STUDENTS & SAP

Transfer Students are evaluated at the midpoint of the contracted hours or the established evaluation periods, whichever comes first. Accepted transfer hours for students entering from another institution will be counted as both attempted and completed for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

VETERANS FUNDING & SAP

Students receiving Veterans Educational funding will remain eligible for funding if they are not making SAP and are on Satisfactory Academic Progress warning, *if applicable*. Failure to meet SAP by next evaluation period will result in termination of such funding.

VETERANS EDUCATIONAL FUNDING

Central Valley Barber College currently offers Veteran's Educational benefits. See the schools Veteran's Information Bulletin (VIB) for more information.

If a student fails or misses a written or practical exam/quiz they will be given an opportunity (3) to make up that exam/quiz on the next scheduled test date. Students are reminded they are required to have a cumulative score (qualitative) from their written and practical exams (combined) at the SAP evaluation point to be deemed making Satisfactory Academic Progress.

RETURN TO TITLE IV (R2T4) FOR FEDERAL STUDENT AID

The law specifies how a school must determine the amount of Title IV program assistance that a student earns if he/she withdraws from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Direct Student Loans, PLUS Loans, and Federal Supplemental Educational Opportunity Grants (FSEOGs).

Determination Date / Withdrawal Date (Official / Unofficial Withdrawal)

The actual last date of attendance is the last day the student was physically in attendance. This is the withdrawal date. The determination of the withdrawal date on a student who had been previously attending could be up to, but will not exceed 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office.

All R2T4 calculations are completed within 30 days from the Date of Determination (DOD) and all refunds back to the US Department of Education are returned within 45 days from the DOD. Any credit balances currently on the students account, will be disbursed within 14 days of withdrawal.

Order of Returns

- Federal Direct Unsubsidized loans
- Federal Direct Subsidized loans
- Federal Direct Parent Loan for Undergraduate Students (PLUS)
- Federal Pell Grant

When a student withdraws during the payment period the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If the student received (or the school or parent received on the student's behalf) less assistance than the amount that the student earned, the student may be able to receive those additional funds. If the student received more assistance than he/she earned, the excess funds must be returned by the school and/or the student.

The amount of assistance that the student has earned is determined on a pro-rata basis. For example, if the student completed 30% of the scheduled hours in their payment period, the student earns 30% of the assistance he/she was originally scheduled to receive. Once the student has completed more than 60% of the scheduled hours in his/her payment period, the student earns all the assistance that he/she was scheduled to receive for that period.

If the student did not receive all the funds that he/she earned, the student may be due a Post withdrawal disbursement. If the Post-withdrawal disbursement includes loan funds, the academy must get the student's permission before it can disburse them. The student may choose to decline some or all of the loan funds so that he/she doesn't incur additional debt. The academy may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). If the student is eligible for any post-withdrawal disbursements, they will be notified in writing of that eligibility within 30 days. All post-withdrawal funds are credited to the students account first and any resulting credit balance will be disbursed within 14 days of the credit being created.

The school needs the student's permission to use the post-withdrawal grant disbursement for all school charges over and above Tuition and Fees.

There are some Title IV funds that the student was scheduled to receive that cannot be disbursed to him/her upon withdrawal because of other eligibility requirements. For example, if the student is a first-time borrower for student loans and has not completed 30 days of school. That student would not be eligible for any student loan disbursements.

If any student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Policy:

1. Student-to-Staff Relationships:

Romantic, sexual, or intimate relationships between students and staff (including instructors, administrators, and support personnel) are strictly prohibited during the course of the student's enrollment.

Friendly but professional interactions are expected at all times. Staff must avoid any favoritism, perceived or real, that may result from inappropriate relationships.

2. Student-to-Student Relationships:

While friendships among students are natural, relationships that become disruptive to the learning environment create tension among classmates, or result in unprofessional conduct on campus will be addressed.

Public displays of affection (PDAs) are not permitted on school grounds.

Any romantic or sexual relationship that results in complaints of harassment, favoritism, or distraction from coursework may result in disciplinary action.

3. Social Media & Outside Contact:

Staff and instructors should not initiate or accept social media connections with currently enrolled students.

Communication between students and staff should remain professional and be conducted through school-approved channels (e.g., email, school phone, student portals).

4. Reporting & Consequences:

Any violations of this policy may result in disciplinary actions, including suspension or dismissal for students, or corrective action up to termination for employees.
